DRIVING TOGETHERNESS

**ERTIGA**

## INTRODUCING TECHNOLOGY THAT DRIVES TOGETHERNESS

Today, technology is doing everything to keep us apart. And that's where the smart technologies of Maruti Suzuki Ertiga come together to bring you closer. From a class-leading Smart Hybrid Technology to the advanced Automatic Transmission and intuitive Smartplay Infotainment System that changes the dynamics of driving pleasure, the car has everything it takes to give you and your friends uninterrupted moments of togetherness.

**DDiS 200**  
**DIESEL ENGINE**

## TECHNOLOGY THAT RE-ENERGISES

### PRESENTING MARUTI SUZUKI ERTIGA WITH SMART HYBRID TECHNOLOGY

In life, every break refreshes us. Interestingly, Maruti Suzuki Ertiga's class-leading Smart Hybrid Technology works on a similar principle. It has the Integrated Starter Generator (ISG) Motor that regenerates energy every time you apply the brakes and then assists the engine to drive the vehicle. In short, it re-energises your every moment of togetherness and makes every journey more exciting.

The 1.3 DDiS 200 Diesel engine in combination with Variable Geometry Turbocharger (VGT) generates optimum power and high dynamic torque for excellent acceleration. Together with an Integrated Starter Generator (ISG), it helps improve fuel efficiency, by supplementing the engine's power and all-round performance.

#### Smart Hybrid Features:

- **Idle Stop Start** - It shuts down the engine when the car comes to a complete halt and silently starts the engine when the clutch is pressed. This results in better fuel efficiency.
- **Torque Assist Function** - The torque function of the car is assisted by the regeneration of the energy. It improves the engine's overall performance and helps provide optimal acceleration.
- **Brake Energy Regeneration** - The braking regenerates energy that charges the special high capacity battery. This energy from the battery provides torque assist, helping the engine during acceleration.
- **Gear Shift Indicator** - A gear shift indicator prompts the driver to change gears at the most ideal engine RPM to ensure a smooth ride and better fuel efficiency.

**Diesel**  
**24.52\* km/l**

\*As certified by Test Agency under rule 115 of CMVR, 1989

# TECHNOLOGY THAT MAKES DRIVE EFFORTLESS

## PRESENTING MARUTI SUZUKI ERTIGA WITH AUTOMATIC TRANSMISSION

In a world full of twists and turns, here is something that makes driving around completely effortless. The advanced Automatic Transmission in Maruti Suzuki Ertiga takes the hassle out of driving, ensuring you enjoy a drive full of pleasure every time you hit the road.

**Petrol  
17.03\* km/l**

\*As certified by Test Agency under rule 115 of CMVR, 1989

\*Automatic transmission only available in petrol

# TECHNOLOGY THAT DELIGHTS

## PRESENTING MARUTI SUZUKI ERTIGA WITH SMARTPLAY INFOTAINMENT SYSTEM

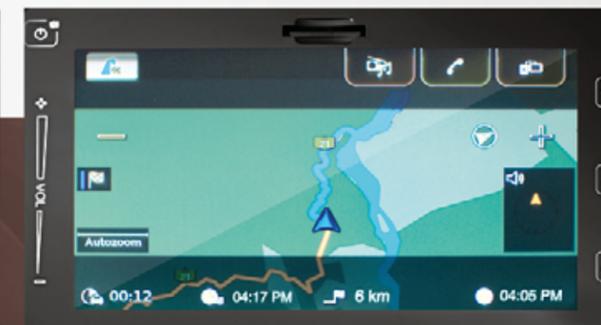

Here is making technology compatible with your every idea of fun and convenience. The Smartplay Infotainment system is more than just about playing your favourite music. It comes with GPS Navigation System, Bluetooth and more. Together, they make sure that every journey you take is full of fun and excitement.

Use your iPhone the smart way with **Apple CarPlay\***

The fun never stops with the **Smartplay Infotainment System**

Discover the effortless way of driving with **Navigation System**

\*Apple CarPlay is compatible with the iPhone models listed in the following link <http://www.apple.com/ios/carplay>

## TECHNOLOGY THAT POWERS TOGETHERNESS

### K14B VVT PETROL ENGINE

If fuel efficiency is on your mind, the advanced VVT (Variable Valve Timing Technology) is the answer you were looking for. The VVT helps optimise intake-valve timing which refines power delivery and boost fuel efficiency. It also helps in reducing friction in engine components, for smoother running and reduced engine noise.

**17.50\* km/l**  
(Manual Transmission)

\*As certified by Test Agency under rule 115 of CMVR, 1989

## TECHNOLOGY THAT IS CLEAN AND GREEN

**24.59\* km/kg**  
(CNG Mode)

**17.04\* km/l**  
(Petrol Mode)

\*As certified by Test Agency under rule 115 of CMVR, 1989

#### HIGH ON FUEL EFFICIENCY

Mileage of 24.59\* km/kg  
(CNG Mode)

#### SMOOTH PICKUP AND DRIVE

Intelligent Gas Port Injection Technology ensures smooth pickup and driving

#### ENHANCED SAFETY

Integrated wiring and Micro-switch prevents engine from starting during refueling

#### COMPLETE PEACE OF MIND

Maruti Suzuki's Standard Warranty and wide service network for a hassle-free ownership

# TECHNOLOGY THAT MAKES LIFE LOOK GOOD

The smart technology of Maruti Suzuki Ertiga enables you to enjoy your moments together while adding a touch of style to it. With its design elements like the new front bumper, dynamic stance and stunning looks, it makes every journey look elegant. Who knew coming together could be such a style statement!

**Aerodynamically Superior**

Promotes fuel efficiency and reduces wind noise

**Luxurious Chrome Grille**

Adds a touch of class to the already stunning exteriors

**Fog Lamps with Chrome Bezel**

While the fog lamps make driving easier, the chrome enhances the elegance

**Sweeping Headlamps**

For sharp looks and elegance

**Electrical Foldable ORVM**

Make driving easy and convenient

**Sporty Alloy Wheels**

Lend it a sporty look and feel

**Classy Chrome Back Door Garnish**

Provides elegance and enhances width and style

**Optimised Strength and Weight**

A body structure made out of higher tensile steel and carefully positioned reinforcements provide excellent rigidity and strength, also reducing the overall body weight without compromising on safety

**Height Adjustable Front Seat belts with Pre-tensioner and Force Limiter**

Maruti Suzuki Ertiga comes with height adjustable front seat belts for enhanced comfort. In addition, the front seat belts are also fitted with pre-tensioners and force limiters that ensure better safety

**Seat belts Reminder with Buzzer**

The latest entrant to Maruti Suzuki Ertiga family, it makes sure you are always wearing your seat belt

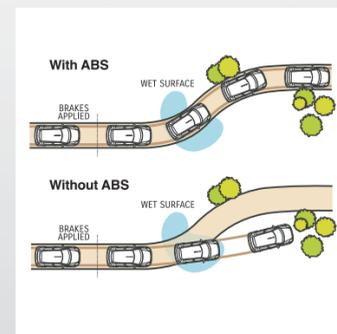

**SRS Airbags**

Maruti Suzuki Ertiga is equipped with Supplemental Restraint System (SRS) dual front seat airbags that help cushion the impact and reduce the chances of injury

**Rear Parking Sensors and Camera**

Parking camera with sensors at the back helps you park the car and notifies you of any obstacles as you reverse

**ABS with EBD for Controlled Braking**

Maruti Suzuki Ertiga comes with ABS (Anti-Lock Braking System) which prevents the wheels from locking up during sudden braking and EBD (Electronic Brake force Distribution) which uses the ABS to optimise distribution of braking force to the front/rear and left/right wheels in response to vehicle load and driving conditions, to optimise braking performance

# TECHNOLOGY THAT CARES FOR YOU

Responsible technology not only brings you closer to the ones you care for, but also takes care of you. Just like Maruti Suzuki Ertiga.

It comes integrated with a host of features which ensure safety of each and every passenger.

Maruti Suzuki Ertiga leads the way in pedestrian safety with pedestrian-friendly hood, fender, front bumper and grille.

**Sleek Dashboard**

A sleek looking dashboard, done up in contrasting brown and beige, fitted with new-improved and user-friendly features

**Dashing Chrome Door Handles & Silver Trims**

Enhances the beauty of the interiors

**Push Start with Smart Key**

No keys so that one can drive around with ease

**2<sup>nd</sup> Row Armrest for Comfort**

Added comfort for the rear seat passengers

**Retractable Cup Holder on Dashboard**

**Luggage Box**

**Driver & Passenger (Fr.) Seatback Pocket**

**Dashboard Rack**

**Stylish Meter Cluster with LCD Display**

Sporty and stylish dials with LCD display enhances driving experience by keeping one updated about everything one needs to know about the car

**2<sup>nd</sup> Row Accessory Socket**

A subtle inclusion that allows you to keep your batteries always charged

**2<sup>nd</sup> Row AC with Controls**

Perfect cooling for the people sitting at the back

**Steering Mounted Audio and Calling Controls**

Steering wheel controls now come integrated with voice command and call pick-up switches as well

**Front and Rear Door Bottle Holder & Pockets**

**3<sup>rd</sup> Row Cup Holder (2 Nos.)**

**Premium Upholstery**

Adds a touch of class and also enhances comfort

## TECHNOLOGY THAT IS DESIGNED AROUND YOU

The intuitive Maruti Suzuki Ertiga is designed not just for you, but around you. Offering you the perfect blend of comfort, convenience and utility, it is tailor-made to provide you with a driving experience like no other.

## TECHNOLOGY THAT WELCOMES EVERYONE

### MARUTI SUZUKI ERTIGA WITH 5+2 FLEXI SEATING

Journeys are best enjoyed when we are together. The reason why Maruti Suzuki Ertiga with its thoughtful flexible design effortlessly accommodates 7 passengers. What's more, its long wheelbase, enough headroom and careful positioning of seats give you ample space to comfortably enjoy the drive together.

## **TECHNOLOGY THAT GIVES YOU** **SPACE FOR MORE**

Be it a drive to the nearby mall or a weekend getaway to the hills, Maruti Suzuki Ertiga quickly makes space for those extra shopping bags and camping gear. While its intelligent flexible design offers comfortable seating, it has a third row with 50:50 split and a spacious boot that creates ample space to accommodate everyone and everything.
